NOTES

WE ARE HERE TO
SUPPORT YOU ON
YOUR JOURNEY

Eastern Mediterranean University
Psychological Counseling Guidance
and Research Center
(EMU-PDRAM)

WELCOME to Eastern Mediterranean University!

This is a time in your life in which you experience many changes such as a new country, a different culture or new people.

In this period of your life, EMU-PDRAM offers various psychological services to support you in your journey to be healthy, successful and happy individuals.

Our Services

EMU-PDRAM provides counseling and guidance services to individuals and groups. Our services are continuously updated and improved according to the needs of both university and students. In addition to individual and group counseling, EMU-PDRAM organizes various workshops and seminars on the campus or outside of the university throughout the community. Alongside with these activities, various brochures, handbooks and posters are published to raise awareness on many subjects.

First Application and Getting an Appointment

Individuals who would like to get psychological services at EMU-PDRAM, should fill out the application form available on the EMU-PDRAM website (<http://pdram.emu.edu.tr>). After filling out the form, the applicant will be contacted by EMU-PDRAM and an appointment will be arranged as soon as possible with a psychologist and/or psychiatrist.

In order to benefit from EMU-PDRAM counseling services, it is important to make an appointment in advance in order to prevent waiting. In case of any postponement or cancellation of an appointment, informing the Center is important in order to provide opportunities for other individuals who want to benefit from the services of EMU-PDRAM. To reschedule, change or cancel your appointment, please simply call EMU-PDRAM or come in person.

* **Services provided by EMU-PDRAM are free of charge.**

Our Handbooks

- Psychological Wellbeing
- Personal Development
- Healthy Relationship
- Healthy Living without Addictions
- Stop Violence

Please visit our website in order to reach EMU-PDRAM publications.

At EMU-PDRAM, psychological services are provided in accordance with *the Universal Ethical Principles for Psychologists*.

Universal Ethical Principles for Psychologists

Beneficence and Nonmaleficence

Psychologists respect, seek to safeguard the rights and welfare of those whom they interact professionally.

Justice

Psychologists recognize that fairness and justice entitle all persons to access to and benefit from the contributions of the discipline of psychology and psychological services.

Respect for People's Rights and Dignity

Psychologists are aware of and respect cultural, individual, and role differences including those based on age, gender, gender identity, race, ethnicity, culture, national origin, religion, sexual orientation, disability, language, socio-economic status, etc.

Fidelity and Responsibility

Psychologists are aware of their professional and scientific responsibilities to individuals/societies in which they work.

Integrity

Psychologists seek to promote accuracy, honesty and truthfulness in the science, teaching and practice of psychology.
